Letter from the Mysore University.

Read a letter from the Registrar of the Mysore University, requesting that the degrees, diplomas, and examinations of that University be accorded such recognition as has hitherto been accorded to the corresponding degrees and distinctions of the University of Madras University. It was resolved that a reply be sent to the effect that - ordinarily the University of the Panjab did not follow the procedure suggested as regards the examinations of other Universities; but that each separate application for admission to examinations, by candidates who had passed - previous examinations of other Universities, was laid before the Syndicate. Until an examination had been held, and the papers published or submitted for information, no opinion could be given as to its equivalence to existing examinations.
